

Dallas County Schools
TOBACCO FREE ENVIRONMENT

Smoking and other uses of tobacco is detrimental to health. Students, therefore, shall not be permitted to possess, smoke, or use tobacco products in any form while on school grounds or during school sponsored events. Sanctions against students who violate this policy may include verbal or written warning, suspension, or expulsion.

Employees are not permitted to possess, smoke, or use tobacco products in any form while on school grounds or during school sponsored events. The Principal shall make prompt written report of any violation of this policy to the Superintendent. Sanctions against employees who violate this policy will include written warning, suspension, or termination. Revised 6/28/04
